Organization's Primary Exempt Purpose

Single Stop USA is an innovative national program that aims to slash poverty nationwide with its highly effective "one-stop-shop" approach. Single Stop builds a bridge between low-income households and the vast untapped government resources intended for them, and maximizes the impact of these benefits with financial education, legal services and expert counseling. The combination of resources, counseling and education is crucial to helping families move from crisis to stability, establish self-sufficiency and ultimately achieve economic mobility.

-------------	---------------------------	--------------------------------

In 2007, Single Stop USA worked to develop relationships with partners in New Mexico, New Jersey, Baltimore, MD, the Bay Area, California and selected initial community-based organizations (CBO) sites for the launch in 2008. We also made progress toward relationships with government players to test out new innovative forms of service delivery.

In New Mexico, plans were developed to launch sites at several middle school locations and on a Native American pueblo. By working at schools, we can reach low-income students and their parents, offering a package of services that will ease the financial burden at home while allowing the children to focus on their education. Launching a site on the pueblo allows us to target Native American families that are missing out on crucial benefits, including some specific to their population.

In Baltimore, Single Stop USA began talks with the Maryland Department of Corrections and other partners like Catholic Charities, to open a site to service prisoners exiting the prison system, as well as low-income families. Giving

Plans in Baltimore have currently been put on hold, but the relationship-building accomplished in 2007 will be helpful in the future when we are able to resume our work in the area.</p> <p>In Newark, Single Stop USA set the stage to launch a site at a store front Single Stop in down town Newark which will service low income families and individuals, and at several public housing units which will service the residents, the majority of whom are living well below the poverty line, as well as other low-income families and individuals. We also began discussions about a possible site in City Hall with the goal to send a new message about government openness and public-private partnership.</p> <p>In San Francisco, we partnered with local funders and organizations that committed over \$4 million to help us launch sites at various CBO and government locations in the Bay Area. Mayor Newsom expressed interest in the prospect of a City Hall site and we met with Nancy Pelosi's office, which has since requested a congressional earmark for Single Stop USA's program.</p> <p>In New York City, we obtained a commitment of support from the Robin Hood Foundation.
