Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III Yes No

1 Briefly describe the organization's mission

Single Stop USA is an innovative national program that aims to slash poverty nationwide with its highly effective "one-stop-shop" approach. Single Stop builds a bridge between low-income households and the vast untapped government resources intended for them, and maximizes the impact of these benefits with financial education, legal services and expert counseling. The combination of resources, counseling and education is crucial to helping families move from crisis to stability, establish self-sufficiency and ultimately achieve economic mobility.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported

4a (Code) (Expenses \$ 25,564,006 including grants of \$ 20,219,685) (Revenue \$ 754,084)

Single Stop harnesses America's most effective anti-poverty tools to create economic mobility for low-income families and individuals. Single Stop breaks the cycle of poverty by leveraging existing financial resources with opportunities for education, counseling, training, and support—a powerful recipe for lifelong financial stability. Single Stop's one-stop-shop model provides unprecedented ease of access to a holistic set of services, in one place at one time, utilizing technology to create maximum impact. Since 2007, Single Stop and its partners across 100 sites in eight states connected 1 million families and individuals with nearly \$3 billion in public resources, tax refunds, and supportive services. In 2014, Single Stop and its network of community-based organizations, community college, and other institutional partners connected nearly 182,000 low-income households in eight states (California, Florida, Louisiana, Massachusetts, Mississippi, New York, New Jersey, and Pennsylvania) to life-sustaining public resources and local services valued at more than \$536 million, including child care subsidies, financial aid, health insurance, tax refunds, SNAP (food stamps), and housing assistance. At each partner institution, a Single Stop site coordinator uses our proprietary technology to let individuals and their families know in as little as 15 minutes what public resources and local services they are likely eligible for and then guides them through the application process. Sites also offer free financial counseling, legal services, and tax preparation. An internal analysis shows that for every dollar invested, Single Stop obtains for clients \$20 worth of public resources, tax refunds and local services. In 2014, Single Stop continued to expand and deepen our services to fight poverty. Single Stop augmented its nationwide community college expansion strategy with the opening of new sites at Roxbury Community College and Springfield Technical Community College in Massachusetts, as well as three campuses at Hinds Community College in Mississippi. In 2014, Single Stop's New York-based programs served approximately 155,000 low-income households, connecting them to resources and services valued at nearly \$501 million. The New York programs also explored and forged new multi-stakeholder strategies to bring the Single Stop model to particularly high-needs populations, including senior citizens and chronically homeless families. Further, in the second implementation year of the Affordable Care Act, Single Stop's Health Care Navigation program enrolled 4,910 households into health care. The estimated value of this drawdown is \$53 million.
