Statement of Program Service Accomplishments

Form 990, Part III

The mission of the Oklahoma City Community Foundation, a non-profit public charity, is to serve the charitable needs of its donors and the Oklahoma City area through the development and administration of endowment and other charitable funds with the goal of preserving capital and enhancing value.

Because of the diversity of interests of our donors, we serve charitable interests throughout the United States, but our main focus is the Oklahoma City metropolitan area.

The mission is fulfilled by pursuit of these goals:

- * Provide convenient, efficient and effective ways through which donors can contribute assets to charitable purposes.
- * Encourage donors to create funds that will benefit the community both now and in the future.
- * Advocate for the development of endowment funds and provide appropriate means by which permanent endowment funds can be built and wisely managed to provide long-term support.
- * Develop restricted and unrestricted community endowment which shall be used to develop, facilitate, coordinate and enhance services that meet the changing needs of the community.

The Oklahoma City Community Foundation offers eight different types of funds to accomplish its goals and missions. The type of funds offered include donor-advised funds, scholarship funds, field of interest funds, nonprofit agency endowment funds and the Fund for Oklahoma City.

The scholarship funds are established by individuals, corporations and nonprofit and civic groups to provide support for individuals who are seeking to improve themselves through higher education or additional training. For the year ended June 30, 2006, the Foundation had more than 90 scholarship funds. The scholarships are included in the detailed grant listing.

The Fund for Oklahoma City provides grants to address current issues and opportunities in the community on a timely and effective manner. Those organizations receiving grants from this program are included in the detailed grant listing.

The field of interest funds provide an opportunity to benefit a particular area of interest, type of organization, community issue or geographic area. For the year ended June 30, 2005, the funds ranged from providing blind individuals with seeing eye dogs, supporting Korean and other Asian cultural activities throughout the Oklahoma City community, funding needs of handicapped children, planting hyacinth blubs in city parks and other public lands and providing funds for various medical research opportunities. Grants from this program are included in the detailed listing.

The agency endowment fund program is the largest of its kind in the country with more than 270 nonprofit organizations participating. As of June 30, 2006, the program includes more than \$135 million in endowments for the participating organizations. Grants from this program are included in the detailed listing.

The donor advised funds provide a consolidated giving vehicle for donors. The grants from this program are included in the detailed listing.

Additional InformationScholarships - Form 990, Schedule A, Part III, Line 3

The Oklahoma City Community Foundation supports scholarship initiatives that encourage students to attain the highest level of education and training. The scholarship programs include the following:

1. The Community Foundation Scholars program is designed for high-school students planning to pursue a college education. The program targets students that are good students and good citizens who do not qualify for the most competitive scholarship programs. The scholarship program is for every high school in Oklahoma County.

2. The Foundation of Promise scholarship program is for students that will be the first in their family to attend college. The program requires students to apply for the award during their junior year of high school and to commit themselves to complete a number of preparatory college activities. The scholarships are for collegiate studies.

3. The Oklahoma Youth with Promise scholarship program provides scholarships to students who are or have been in foster care homes or out-of-home placement through a state licensed facility.

4. The Non-Traditional Student scholarship program provides scholarships for students re-entering the educational system who have successfully completed one educational program and have both the desire and the ability to move on to another program.

5. The Nurse Education program provides scholarships to nurses employed at the five Oklahoma City area hospitals. The program is designed for individuals who are seeking certification as a Registered Nurse or a bachelor's degree in nursing science. For this scholarship program, the application and selection process is performed by the appropriate professionals at each participating hospital.

6. The Oklahoma City Community Foundation also offers scholarship funds established by individuals, families, businesses and organizations to provide support for educational pursuits. The selection criteria and scholarship qualifications are set forth in the respective fund agreements for each scholarship fund. The scholarships are awarded based on the pre-determined scholarship criteria.

For the first four scholarships listed, the scholarship recipients are chosen by a selection committee of the Oklahoma City Community Foundation and not by the Trustees of the organization. The scholarship programs of the Oklahoma City Community Foundation further the charitable purposes of the Foundation by improving the quality of life in central Oklahoma by providing the means to attain a higher level of training and education.
