Scholarship America affiliated Dollars for Scholars chapters are a national network of community-based, volunteer-operated scholarship foundations in cities, towns, and neighborhoods throughout the United States of America. The chapters provide an effective way for communities to work together on a local level to provide financial support through scholarships, as well as academic support, and thereby assist local students in achieving their educational goals. In 2008 there were 1,164 chapters operating in 39 states and the District of Columbia. Over 41,000 volunteers staff their efforts. The volunteers are trained to raise scholarship money, as well as provide academic support to local students. Last year, Dollars for Scholars raised over \$67.5 million for current and endowed scholarships, they awarded over \$40.5 million with the balance going to endowments and future scholarships. Scholarships were given to over 40,000 students. Since its inception in 1958, Scholarship America's Dollars for Scholars chapters have distributed \$395.1 million to over 552,220 students. In addition, Dollars for Scholars has enrolled 485 Collegiate Partners which are postsecondary institutions that agree not to reduce their grant aid when Dollars for Scholars scholarships come on to their institutions.
