Part III: Mission Statement - Give to the World is a 501(c)(3) nonprofit organization that provides essential materials to desperate people living in conflict zones all over the globe. We undertake distribution overseas directly or through legitimate partners, empowering the local populace with critical medicines, medical supplies and equipment to help address the underlying cause of instability. By saving lives and alleviating suffering, Give to the World's work provides the foundation for follow-on stabilization through economic, political and social development. To maximize our impact, we work with key local leaders to ensure that these materials are distributed to the populations in greatest need.

Background: Give to the World started in Afghanistan by providing blankets, shoes and clothing to locals impacted by conflict. The work helped some of the most impoverished people in the world to endure the harshest conditions. Since our inception as an NGO in Afghanistan, we expanded our assistance to other conflict and post conflict areas of the world to include East Africa, the Middle East, Southwest Asia and war torn areas of South America. Many of these areas remain untouched by traditional NGO's, who find it too difficult to access these parts of the world.

Impact: In 2014, Give to the World provided more than \$400,000 worth of humanitarian supplies overseas based on wholesale average cost (WAC). Already in 2015, Give to the World has provided more than \$850,000 worth of critical supplies (WAC) to conflict zones around the globe. Since our inception, we have provided more than 80 tons of humanitarian aid throughout the world including East Africa, Central Asia and the Middle East. Give to the World provides a unique opportunity for donors to have maximum impact in these areas overseas. We use just-in-time inventory, data automation, and virtual offices to minimize our overhead and maximize our donor-value; providing more than \$7 worth of impact abroad for every \$1 donated. Help to Give to the World today!

Part I: Other Revenue = \$1.15; interest income

Part I: Other Expenses= \$58,808.35; \$55,763 of these expenses relate to the cost of medical supplies and shipment costs to send to conflict areas. \$3045.35 is for general operating costs such as bank fees, insurance, supplies, meetings, software and travel.

Part II: Other Assets= \$72.00; accounts receivables
