PROGRAMS	Grants and Awards	Program Operations	Total Program Expenses

a) Section 1 - Educational Programs

Rotary World Peace Fellowships Each year, up to 60 fellows are sponsored to study at one of the six Rotary Centers for International Studies in peace and conflict resolution for a master's-level degree. Since the program's inception in 2002-03, 283 fellows from over 50 different countries have participated. In 2006-07, 50 peace fellows from 27 countries began studies at the six Rotary Centers

Ambassadorial Scholarships The Foundation sponsors one of the largest international scholarship programs in the world. Scholars study in a country other than their own where they serve as unofficial ambassadors of goodwill. Since 1947, more than 38,000 scholars from over 100 countries have received scholarships. In 2006-07, 822 scholars from 50 countries studied in 80 countries.

Rotary Grants for University Teachers are awarded to faculty members to teach in a developing nation for 3 to 10 months. Since 1985, 460 university teachers have shared their expertise with a college or university in a developing country. In 2006-07, 29 university teachers from 9 countries taught in 22 countries.

Group Study Exchange (GSE) These annual awards are made to paired Rotary districts to provide travel expenses for a team of non-Rotarians from a variety of professions. Rotarian hosts organize a four- to six-week itinerary of vocational, educational, and cultural points of interest. Since 1965, about 60,000 individuals (about 12,500 teams) from 100 countries have participated. In 2006-07, 558 teams traveled abroad.

b) Section 2 - Humanitarian Programs

Matching Grants provide matching funds for international humanitarian projects for Rotary clubs and districts. These grants range from US\$5,000 up to US\$150,000 and help fund a wide range of humanitarian needs including literacy, health, water, etc. Matching Grants projects are based upon international partnership. Rotary clubs and districts in at least two countries must work together to plan, implement and complete a project. Since 1965, almost 27,000 Matching Grant projects in 171 countries have been funded. In 2006-07, 2,008 new grants were approved for projects in 124 countries.	44,758,601	9,623,914	54,382,515

The purpose of The Rotary Foundation's Health, Hunger and Humanity (3-H) Grants is to improve health, alleviate hunger and enhance human and social development as a means of advancing international understanding, goodwill and peace. Through this program, the Foundation provides major grants for large-scale, sustainable, international development projects. The emphasis is on supporting Rotarians who are assisting those who are working to improve the quality of life for themselves and their communities. Since 1978, 305 projects in 77 countries have been funded at a cost of \$ million. In 2006-07, 18 new projects were

Blane Immunization Grants The Blane Community Immunization Program was launched as a three-year pilot program in January 2000 with a \$1 million gift from Past District Governor Jack Blane. In response to the ongoing need for improved immunization, The Rotary Foundation Blane Community Immunization Grants provide up to \$1,000 in matching funds to United States Rotary clubs to help them improve immunization levels in their communities. In 2005-2006, 26 grants were approved.

District Simplified Grants support the short-term service activities or humanitarian endeavors of districts in communities locally or internationally. This program began in 2003-04, and over 1,500 grants have been awarded to 473 districts in 64 countries. In 2006-07 379 grants were approved.

Volunteer Service Grants support the international travel of qualified Rotarians and their spouses to provide a needed service to a community or to plan the implementation of a needed project. This program began in 2006-07, and 202 grants were awarded to support travel to 47 countries.

c) Section 3 - PolioPlus Program**PolioPlus**

PolioPlus Rotarians have mobilized by the hundreds of thousands to ensure that children are immunized against this crippling disease and that surveillance is strong, despite the poor infrastructure, extreme poverty, and civil strife of many countries. Since the PolioPlus program's inception in 1985, more than two billion children have received oral polio vaccine. To date, 210 countries, territories, and areas around the world are polio-free, and 134 of these have been certified.

PolioPlus Partners is a program that allows Rotarians to participate in the polio eradication effort by contributing to specific social mobilization and surveillance activities in polio endemic countries. As of 30 June 2007, over 6,000 clubs in 502 districts have contributed to 470 PolioPlus Partners projects, supporting National Immunization Days and other polio eradication activities around the world.

d) Section 4 - Other Programs

The Donor Advised Fund (DAF) was created in 2002 as an additional donation vehicle for The Rotary Foundation. The DAF vehicle permits contributions to be made by individuals and Rotary affiliated groups and offers the flexibility to the DAF contributor to make grant recommendations so that the DAF may be used to support either TRF or other unaffiliated IRS approved charities. Contributions and grant recommendations are subject to review and approval of TRF Trustees and TRF has the final authority in all investment and grant making decisions. From July 2006 to June 2007, 25 new DAF accounts brought the total number of accounts to 90.

** The retirement plan covering employees of The Rotary Foundation of Rotary International, is a defined benefit pension plan. The benefits are determined by application of a benefit ratio to the employee's highest average annual earnings for five consecutive years. The pension plan assets are invested in certain pooled fixed income and equity funds.

Rotary's funding policy, subject to the minimum funding requirements under the Employee Retirement Income Security Act of 1974, is to contribute such amounts as are determined on an actuarial basis to provide the assets sufficient to meet the benefit obligations.

Due to the nature of our pension plan, it is not feasible to present contributions on an individual basis.
