Return Reference	Explanation
Part X FIN48 Footnote	On July 1, 2009, the Foundation adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits or expenses are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not to be sustained upon examination by tax authorities. The Foundation has analyzed tax positions taken for filing with the Internal Revenue Service and State of California. The Foundation believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Foundation's financial condition, results of operations or cash flows. Accordingly, the Foundation has not recorded any reserves, or related accruals for interest and penalties for uncertain tax positions at June 30, 2015. The Foundation's policy is to classify income tax related interest and penalties as interest expense on the financial statements. The Foundation's 2013, 2012, and 2011 tax years remain subject to examination by the Internal Revenue Service and the California Franchise Tax Board.
