Form 990, Part III, Line 4b:

Communities In Schools AmeriCorps Tutorial Program early intervention strategy for students from Kindergarten through 12th grade who are performing below grade level in reading in under-served communities around Georgia. The primary objective of the program is to implement high quality, research-based tutoring strategies that positively impact student achievement in reading and place them on the road to success. The program identifies three main goals in an effort to fulfill all requirements under this CNCS sponsored grant. The following program goals were met:

- 1) Needs and services: 26 AmeriCorps members provided over 22,000 hours of tutoring and exceeded their target for tutoring 400 students, reaching 650 students at 10 CIS affiliates. Student outcomes: 93% of tutored students improved their interest in reading and/or overall academics, 70.4% demonstrated academic improvement, 75% had fewer disciplinary problems and 95% graduated to the next grade level.
- 2) Member Development: 26 AmeriCorps members come together twice per year for Pre-Service Orientation and End of Year Training events. Site visits are conducted throughout the year and members are observed and provided feedback on their service experience. Members come together at the end of the program year to share reflections on their term of service with the whole corps as well as prepare for their lives after AmeriCorps service.
- 3) Community Strengthening: Volunteers have been engaged to provide services along with AmeriCorps members. Members have recruited 127 volunteers in service to projects such as book distributions in Dodge and Ben Hill Counties, and various Martin Luther King Day service projects.

Schedule D, Part X, Question 2	<p>The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, as amended, and is classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision or liability for federal and state income taxes has been recorded in the accompanying consolidated financial statements. The Organization annually evaluates all federal and state income tax positions. This process includes an analysis of whether these income tax positions the Organization takes meet the definition of an uncertain tax position under the Income Taxes Topic of the Financial Accounting Standards Codification. In the normal course of business, the Organization is subject to examination by the federal and state taxing authorities. In general, the Organization is no longer subject to tax examinations for the years ending before June 30, 2015. During December 2017, the President of the United States of America signed into law the Tax Cuts and Jobs Act. Under this Act, maximum corporate tax rates were reduced from a rate of 35% to a flat rate of 21%. The Organizations tax liability for any potential unrelated business income tax should not be significant. There are other changes to the law that may affect the Organization, but the magnitude of such changes has not been determined.</p>

Return Reference	Explanation
Schedule I, Part I, Question 2	Communities In Schools of Georgia (CISGA) receives and distributes funds for federal, state, as well as private programs that support CISGA's mission, which is to champion the connection of needed community resources with schools to help young people successfully learn, stay in school, and prepare for life. As a condition for receipt of these funds CISGA must allocate these funds according to the requirements of each specific grant, review and approve applications for these funds from eligible recipients, and ensure compliance with federal and state regulations for uses of these funds. Different teams within the organization administer these grants - developing a plan to respond to purposes of the grants, allocating of funds to recipients, reviewing and approving of local plans, and providing technical assistance in achieving the purpose of these grants -based on the areas of their program responsibility. The Finance Department and Management Team provide the fiscal oversight for these grants to ensure that organizations (subrecipients) that receive these funds comply with all requirements governing uses of funds. Communities In Schools of Georgia's fiscal monitoring is part of this system of fiscal oversight. The first tier of oversight is to collect, review and, if necessary, act on the findings of the Single Audit required of sub-recipients who are awarded \$500,000 or more of federal funds by CISGA. Fiscal monitoring is the second tier of oversight. Its purposes are - To monitor sub-recipients' programs, especially those not covered by the Single Audit, to ensure compliance - To identify and help resolve compliance problems surrounding sub-recipient's current uses of funds in order to avoid audit findings and possible penalties after the end of the fiscal year. The processes described in this procedure are designed to test whether grant funds advanced by the organization have been expended for the purpose identified in the grant award and whether those expenditures are allowable costs based on the cost principles for the type of organization receiving funds. The intent is to meet the federal monitoring requirements of OMB Circular A-133 and Agency of Administration Bulletin # 5.
