Research & Development We conduct rigorous research into some of today's biggest social challenges: childhood poverty, failing schools, welfare dependency, family breakdown, mass incarceration, and unemployment. We convene expert panels from the fields of government, academics, business, and non-profits. Current research, field studies, and visits to examples of best practice are published in an evidence-based report, which details the shifts in policy and community-based services that are required. -Identify Barrier Issues Using current research data, we identify significant barriers to social mobility and economic opportunity at each stage of a person's development, from cradle to career. -Conduct Research & Analysis Expert working groups evaluate academic research, field studies, public hearings, and best-practice observations to recommend evidence-based solutions to policymakers and service providers. -Produce Evidence-Led Reports Research findings are published in rigorous reports, with leading recommendations made available to the public and various stakeholders, and promoted in the local and national media.

4b (Code) (Expenses \$ 280,910 including grants of \$) (Revenue \$)
Policy Advancement Upon publication of its report, GCO educates the public and advocates for the panels' recommendations at all levels of policymaking: the Governors' office, General Assembly, agencies, and other key areas at both the state and federal levels in order to implement the changes needed in the policymaking arena. -Educate Policymakers Drawing on strong relationships throughout the state, we educate officials about the challenges facing Georgia, and help craft legislation and agency solutions at all levels of government. -Highlight Best-practice We identify examples of best practice by innovative organizations that are delivering change on the ground, and help agencies and local nonprofits adopt benchmark methods into their current operations. -Develop Emerging Leaders We develop broader awareness of the issues by educating citizen groups and young people about the advocacy process, and by selecting top graduates for our Breakthrough Fellows program.

4c (Code) (Expenses \$ 249,147 including grants of \$) (Revenue \$)
Solution Delivery To ensure successful implementation of Breakthrough solutions, we seek innovative nonprofits already delivering change on the ground, as well as promising social entrepreneurs, and help these organizations develop greater capacity and effectiveness. GCO offers outcome-based strategic consulting, recruits successful organizations to expand in Georgia, and develops new funding models for social enterprises. -Conduct Analysis We analyze the delivery of existing service organizations, to help them develop greater capacity and effectiveness. -Facilitate Planning We help create solution implementation plans that act as a roadmap for delivery on the ground. -Manage Execution We coach start-ups and social enterprises as they seek to carry out their strategic objectives. -Provide Assessment We manage the tools to gather data, develop outcome-based metrics, and create scorecards that assess the effectiveness and efficiency of solutions being delivered.
