Form 990, Part VI, Section B, line 12c		Employees who have direct or indirect influence over purchasing decisions or contracts must submit a Conflict of Interest Reporting Form to the Executive Director on an annual basis, and/or prior to the establishment of a new business relationship with a vendor or supplier. The Executive Director will conduct an initial review of all Conflict of Interest Reporting Forms. If the Executive Director determines that there may be a potential for conflict of interest covered by ORI policy, the matter will be referred to an ad hoc committee. The committee will be composed of the Executive Director, the Science Coordinator, another scientist not connected with the project, and a community Board member. Should the ad hoc committee determine that a conflict exists, they will request a Resolution Plan from the employee. After reviewing the Resolution Plan, the committee will determine what restrictions or conditions, if any, should be imposed by the Institute to manage the conflict of interest.
Form 990, Part VI, Section B, line 15		All employees, including the executive director, are reviewed by the entire circle of those they touch: subordinates, peers, and superiors. Each person fills out a review form, which are then collated by Human Resources. The collated feedback is reviewed by the Executive Director Advisory Group, who makes a salary recommendation to the Board based on performance as reviewed and existing salary guidelines (which are based on market surveys). The Board reviews performance with the Executive Director in closed session, and makes the final salary determination.
