| Part X, Line 2                                             | The Institute follows the provisions of FASB Accounting Standards Codification (ASC) 740-10, Income Taxes, relating to accounting for uncertain tax positions and there is no financial statement impact to the Institute. The Institute recognizes the tax benefit from uncertain tax position only if it is more likely than not that the tax positions will be sustained on examination by the tax authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Institute recognizes interest and penalties related to income tax matters in support expenses. |
