Return Reference	Explanation
Part X FIN48 Footnote	Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken in the Organization's federal and state exempt organization and business income returns and returns filed by its subsidiaries are more likely than not to be sustained upon examination. The Organization's returns for years ended June 30, 2013, 2012 and 2011 are subject to examination by federal and state taxing authorities, generally for three years after they are filed.
