# Grant Guidelines

The Deutsche Bank Americas Foundation administers the philanthropic activities of Deutsche Bank within the United States, Latin America and Canada. Together, the Bank's Community Development Finance Group and Foundation carry out the firm's corporate citizenship commitments through a program of loans, investments and grants. Based in New York City, where the majority of grants are awarded, the Foundation supports nonprofit organizations that concentrate on community development, education, and the arts.

Deutsche Bank works in partnership with local nonprofit organizations to provide distressed communities and disadvantaged individuals with opportunities for safe and affordable housing and economic advancement. The Foundation also seeks to enrich these communities by providing access to the arts, supporting local leaders, and strengthening local organizations. The Bank relies on the talents of its employees and the leadership of its management to leverage its financial commitments in addressing local needs.

## Recipient Eligibility

**To be considered for a grant, U.S. applicants must be nonprofit, tax-exempt organizations (under section 501(c)(3) of the U.S. Internal Revenue Code) serving locations in which Deutsche Bank conducts business and has a grant-making program.**

The Deutsche Bank Americas Foundation will fund the following 501(c)(3) public charities:

- 509(a)(1) organizations;
- 509(a)(2) organizations;
- 509(a)(3) Type I supporting organizations; and
- 509(a)(3) Type II supporting organizations.

The Foundation will not fund 501(c)(3) public charities classified as:

- 509(a)(3) Type III supporting organizations.

Applicants from Canada and Latin America being considered for funding will be asked to submit a signed and sworn affidavit, provided by Deutsche Bank, verifying equivalency eligibility.

### *Exclusions*

The Deutsche Bank Americas Foundation does not provide grants in support of

- endowment and capital campaigns
- individuals (e.g., scholarships, expeditions)
- legal advocacy
- political parties or their candidates

- religious work of churches or sectarian organizations
- United Way and pass through-funded agencies, unless they provide a fund-raising waiver from the United Way or pass through organization
- fraternal organizations
- military organizations
- professional and trade associations
- individual artists, films, and the performing arts
- organizations that discriminate on the basis of race, religion, creed, national origin, disability, handicap, age, sexual orientation, mental status, veteran status or any other basis prohibited by law
- organizations that employ adversarial and/or confrontational tactics
- organizations that discriminate with respect to membership and/or the provision of services or use of facilities
- organizations that are not in full compliance with the anti-terrorism laws legislated by the USA PATRIOT Act

To help in the fight against money laundering and terrorist financing, Deutsche Bank may require an organization to provide information regarding the organization and its directors, managers, and/or employees (collectively, the organization's 'affiliates'). Deutsche Bank also may ask the organization and its affiliates to provide identifying documents (such as articles of formation or incorporation). Deutsche Bank may use the information and documents received to verify the identities of borrowers or investees and their affiliates.

## Non-Discrimination Statement

July 25, 2012

In light of recent news calling attention to continued discriminatory policies at the Boy Scouts of America, the Deutsche Bank Americas Foundation has reaffirmed its commitment to restrict funding to organizations that align with the Bank's own anti-discriminatory policies. As stated in its guidelines, Deutsche Bank Americas Foundation does not support organizations that discriminate on the basis of race, religion, creed, national origin, disability, handicap, age, sexual orientation, mental status, veteran status or any other basis prohibited by law, with respect to employment, membership, and/or provision of services.

As a company, Deutsche Bank is committed to fostering an environment of inclusion and mutual respect for diverse talents, perspectives and backgrounds. Consistent with these values, Deutsche Bank Americas Foundation seeks to ensure that such practices also are applied by those organizations to which it extends its support. This includes direct grants, matching gifts, employee volunteer grants and any other capacity in which Deutsche Bank Americas Foundation may provide assistance.

To resolve any questions about possible non-compliance, Deutsche Bank Americas Foundation will ask organizations to disclose their non-discrimination policies and deny support to any entity that participates in intolerant practices or maintains discriminatory policies.

Deutsche Bank has a strong history of supporting anti-discriminatory initiatives and promoting inclusion both internally and externally. In 2010, following a wave of anti-gay bullying and acts of violence and discrimination against LGBT and Muslim populations throughout the U.S., Deutsche Bank Americas Foundation, in collaboration with Deutsche Bank's Affinity Groups, made a \$200,000 commitment to four New York City organizations to address the needs of victims and to help build greater cultural awareness and sensitivity. Deutsche Bank's commitment to diversity is well-demonstrated by its numerous active employee network groups. More recently, dbPride established an Allies community to help create an even more inclusive work environment for LGBT employees by engaging their straight colleagues. The Deutsche Bank Americas Foundation remains dedicated to promoting a just and equitable society in which diversity is valued. For further details, please review our grant guidelines.

## Application Process

**The Foundation will occasionally accept unsolicited proposals from nonprofit organizations with tax-exempt status (under section 501 (c) (3) of the U.S. Internal Revenue Code) that meet the criteria outlined in the Foundation guidelines above.** Grant seekers should send a letter of intent, not to exceed three pages, to the Foundation. This letter should provide

- a brief statement of the organization's history, mission and objectives
- the purpose of the proposed project (goals/projected outcomes)
- the amount and duration of the financial request
- a copy of the IRS determination letter substantiating 501 (c) (3) status

Foundation staff will review all submissions and invite selected organizations to apply for funding. The Foundation will review these grant proposals on an ongoing basis. As a rule, the Foundation does not provide funding to any individual organization for more than three successive years.
