* - This amount represents deferred compensation rec'd by Ms. Davis for services she rendered to The Starr Foundation in 2001/2002
The amount was paid by Starr International Company Inc.'s DCPPP

** - Mr. Hsu retired in 2004. His pension and retirement payments from the qualified retirement plan were funded until he reached the age of 65 in 1983, and paid by AIG. The annuity paid from the American Intl Life Assurance Co was purchased by AIG for employees covered under a prior plan at the time that plan was cancelled on April 1, 1985. Mr. Hsu's payments in lieu of benefits under the AIG Excess Retirement Income Plan were paid by AIG with respect to his years of service for AIG and its predecessor, C V. Starr, and The Starr Foundation, in an amount equal to what he would have received were he a participant in the AIG Excess Retirement Income Plan. All of Mr. Hsu's non-qualified retirement payments were made to him by AIG or C V. Starr and Co., Inc., not by The Starr Foundation, but are reported here to the extent the payment is attributable to services Mr. Hsu rendered to The Starr Foundation prior to his retirement. The non-qualified payment is as large as it is because Mr. Hsu attained the age of 65 on December 3, 1983 and was eligible to retire at that time. Because he did not retire until 2004, when he was 86 years old, and payments did not begin until after his retirement, the amount of his payment had grown very significantly by reason of the delay in starting payments under the plans.
