LEGEND

A= Name of Foundation
B= Name of organization doing the research
C= Name of organization doing the research
D= Name of organization doing the research
x= The Set-aside amount
y= The initial grant made by the organization

Dear Sir or Madam:

We have considered your request for advance approval of a set-aside grant under the suitability test of section 4942(g)(2) of the Internal Revenue Code.

Our records indicate that A is exempt from Federal income tax under section 501(c)(3) of the Code and is classified as a private foundation under section 509(a).

FACTS

Your letter indicates that A will set-aside x.

The requested set-aside amount is to be used to support a tri-institutional initiative in collaborative stem-cell research by and among B, C and D. The stem-cell research project will constitute an extraordinary undertaking requiring an expenditure of a magnitude amount that will give assurance of adequate funding from the inception of the project that is essential in securing participation by the caliber of scientists and medical research institutions critical to the project's success. The set-aside amount will be used towards the construction of discrete physical facilities to house

7/10
STATEMENT 13

the planned stem-cell research and towards the purchase of necessary laboratory equipment.

ANALYSIS

A is an exempt private foundation and its set-aside of income for a specific project is within the charitable purposes of section 170(c)(2)(B) of the Code. A's project is better accomplished by a set-aside of income, rather than by immediate payment of funds, because of the necessary time required to find qualified individuals to operate this project. A proposes to establish an oversight board comprised of up to twelve eminent scientists to consider stem-cell research proposals advanced by the participating institutions, each a pre-eminent biomedical research center in its own right, and fund the most promising from the set-aside amount. A has already made an initial grant of y in May, 2005 towards this project. The participating institutions have not yet established a new collaborative model to coordinate the anticipated embryonic stem-cell research.

A has sought timely approval of its set-aside of income in advance of the time when the amounts of income are to be set aside. A represents its income to be set aside for this specific project will commence with the first set-aside amount on April 1, 2006. A will have 60 months after the date of the first set-aside amount to pay or distribute the funds for the stem-cell research project.

LAW

Section 4942 of the Code imposes an excise tax on any private foundation that does not expend qualifying distributions for exempt purposes at least equal to its distributable amount for its tax year.

Section 4942(g)(1) of the Code, in substance and generally, defines "qualifying distribution" as any amount paid for tax exempt purposes as defined in section 170(c)(2)(B) of the Code.

Section 4942(g)(2)(A) of the Code provides an amount of income set aside for a specific project within one or more purposes of section 170(c)(2)(B) of the Code may be treated as a qualifying distribution if the amount meets the set-aside requirements of section 4942(g)(2)(B) of the Code.

Section 4942(g)(2)(B) of the Code provides, in pertinent part, an amount set aside for a specific project may be treated as a qualifying distribution if, at the time of the set-aside, the private foundation establishes to the satisfaction of the Secretary the amount set aside will be paid for the specific project within five years and the suitability test for a set-aside under section 4942(g)(2)(B)(i) of the Code is met.

Section 4942(g)(2)(B)(i) of the Code provides a suitability test in which the private foundation at the time of the set-aside must establish to the satisfaction of the Secretary the specific project is one that can better be accomplished by the set-aside of income rather than by the immediate payment of funds (the "suitability test").

Section 53.4942(a)-3(b)(1) of the Foundation and Similar Excise Taxes Regulations provides the amounts of income set aside for a specific project for one or more of the purposes in section 170(c)(1) or 170(c)(2)(B) of the Code may be treated as qualifying distributions for the tax year(s) in which such amounts are set aside, but not in the tax year in which actually paid, if the requirements of section 4942(g)(2)(B)(i) of the Code are met, the foundation establishes to the satisfaction of the Commissioner the amount set aside will be paid for the specific project within 60 months after it is set aside, and the set-aside otherwise meets the suitability test of section 53.4942(a)-3(b)(2) of the regulations.

Section 53.4942(a)-3(b)(2) of the regulations provides its suitability test for a set-aside is met if the foundation establishes the specific project is one in which relatively long-term grants or expenditures must be made in order to assure the continuity of particular charitable projects or program-related investments. The regulation cites as an example of a suitable project a plan to fund a specific research program that is of such magnitude as to require an accumulation of funds before beginning the research, even though not all of the details of the program have been finalized.

Section 53.4942(a)-3(b)(7)(i) of the regulations provides a private foundation must obtain Internal Revenue Service approval of its set-aside of income under the suitability test by applying before the end of the tax year in which the amount is set aside.

RULING

Based on the foregoing, we rule that a set-aside of funds in the amount of x will satisfy the requirements of section 4942(g)(2)(B)(i) of the Code and section 53.4942(a)-3(b)(2) of the regulations. Accordingly, the proposed set-asides may be treated as qualifying distributions in its tax year(s) when such amounts are set aside.

Section 53.4942(a)-3(b)(8) of the regulations provides any set-aside approved by the Internal Revenue Service must be evidenced by the entry of a dollar amount in the books and records of a private foundation as a pledge or obligation to be paid at a future date or dates. Further, the amount of the set-aside must be taken into account in determining the foundation's minimum investment return (see section 53.4942(a)-2(c)(1) of the regulations), and any income attributable to a set-aside must be taken into account in computing adjusted net income (see section 53.4942(a)-2(d) of the regulations).

Pursuant to a Power of Attorney on file in this office, a copy of this letter is being sent to the authorized representative. This ruling letter does not address the applicability of any section of the Code or regulations to the facts submitted other than with respect to the sections described.

This ruling letter is directed only to the organizations that requested them. Section 6110(k)(3) of the Code provides that they may not be used or cited as precedent.

Please keep a copy of this ruling letter in your permanent records.

If you have any questions about this ruling, please contact the persons whose name and telephone number are shown above in the heading of this letter.

Sincerely yours,

Lois G. Lerner

* - This amount represents deferred compensation rec'd by Ms Davis for services she rendered to The Starr Foundation in 2002/2003. The amount was paid by Starr International Company Inc's DCPPP.

** - Mr Hsu retired in 2004. His pension and retirement payments from the qualified retirement plan were funded until he reached the age of 65 in 1983 and paid by AIG. The annuity paid from the American Intl Life Assurance Co was purchased by AIG for employees covered under a prior plan at the time that plan was cancelled on April 1, 1985. Mr Hsu's payments in lieu of benefits under the AIG Excess Retirement Income Plan were paid by AIG with respect to his years of service for AIG and its predecessor, C V Starr, and The Starr Foundation, in an amount equal to what he would have received were he a participant in the AIG Excess Retirement Income Plan. All of Mr Hsu's non-qualified retirement payments were made to him by AIG or C V Starr and Co, Inc, not by The Starr Foundation, but are reported here to the extent the payment is attributable to services Mr Hsu rendered to The Starr Foundation prior to his retirement. The non-qualified payment is as large as it is because Mr Hsu attained the age of 65 on December 3, 1983 and was eligible to retire at that time. Because he did not retire until 2004, when he was 86 years old, and payments did not begin until after his retirement, the amount of his payment had grown very significantly by reason of the delay in starting payments under the plans.
