FORM 990-PF -- PART XV -- QUESTION 2

STATEMENT 15

Information Regarding Contribution, Grant, Gift, Loan, Scholarship, etc. Programs

Item b:

New applicants are asked to send a one or two page letter of inquiry to the Foundation describing their proposed project, their goals and objectives, and the approximate level of funding required. The Foundation will review each request and will notify the organization as soon as possible as to whether or not the project coincides with its funding priorities.

The Foundation uses a formal application when considering sponsorship requests. The application may be accessed online at www.hcacaring.org.

Items c and d:

As the philanthropic arm of HCA, the mission of The HCA Foundation is to promote health and well being and support childhood, youth development and foster the arts in Middle Tennessee. In partnership with the employees of HCA, we seek to accomplish this mission by providing leadership, service and financial support to non-profit organizations effectively engaged in meeting local needs.

The HCA Foundation supports organizations that have a well-defined sense of purpose, a demonstrated commitment to maximizing available resources and a reputation for meeting objectives and delivering quality services with caring and compassion.

The Foundation's grant-making will target the following:

- **Health and Well Being:** Serving as a leading foundation for organizations that promote health and well being is our highest priority. The grants we award are intended to meet basic health and human needs such as healthcare, housing and food, and to promote higher levels of mental and physical well being.
- **Childhood and Youth Development:** Supporting organizations that work to encourage the positive growth and development of children and youth is our second priority. The grants we award are intended to promote success in school, skill-building, character development, responsibility, service, and leadership.
- **Arts:** The Foundation will support arts organizations that provide unique community outreach and educational programs that serve children and adults within our community.

Preference will be given to requests from organizations for which an HCA employee volunteers or serves on the board. Requests for capital funding will be reviewed at February and August board meetings.

The Foundation makes charitable contributions to tax-exempt IRC Sec. 501(c)(3) organizations, as defined by the Internal Revenue Service. **Because the Foundation focuses its giving in Middle Tennessee, all requests outside of the Nashville area should be submitted to the closest HCA facility location or division office.** A map of HCA facilities may be accessed at www.hcahealthcare.com.
