APPLICATION FOR GRANT

The DJ & T Foundation awards two types of grants. They are (1) Spay/Neuter Clinic grants and (2) Spay/Neuter Assistance Program (SNAP) Grants. These grants are described below. Please indicate the type of grant for which you wish to apply by placing an "x" in the box next to the grant description.

When applying for both a Clinic and a SNAP at the same time, you only need to provide one set of supporting documents.

- Clinic Grant: Granted to 501 (c) 3 organizations that operate low-cost spay/neuter clinics or are planning to open one.** Funds are also granted to 501 (c) 3 organizations that operate a low-cost mobile spay/neuter clinic or are planning to start one. Our Clinic Grants require an emphasis on dogs, and in particular on medium and large dogs in targeted, high-problem areas.
- Spay / Neuter Assistance Program (SNAP) is a reimbursement grant, granted to 501 (c) 3 organizations with established public outreach programs for companion dogs with homes or that are planning to establish such a program.** Grantees that adopt out dogs may not provide or use DJ & T SNAP Grant funds in any manner whatsoever in connection with dogs in their care, funds may never be used to reduce, offset or supplement adoption fees, or to pay spay/neuter fees prior to or after adoption, or to supplement or pay for spay/neuter surgeries for dogs in foster, adoption, rescue or sanctuary programs. Grantees may not share a SNAP Grant in any other manner whatsoever with organizations or individuals involved in foster, adoption, rescue or sanctuary programs. DJ & T SNAP Grants are to be used only in public outreach programs, to provide spay/neuter surgeries for dogs belonging to individuals who are unable to pay for the surgery. No exceptions.

After placing an "x" in the box beside the grant for which you wish to apply, please fully complete the remainder of this application. **For your application to be considered, all information requested must be supplied. Please submit the application intact – do not separate or place anything between the pages. All supporting information is to be placed behind the application.** See additional instructions on pages 4-5, lines A – I

The only place that you may write on the application is where lines are provided; please fill these in completely. Items A – I must be provided as separate attachments, in the same sequence listed. Paper clips may be used, however please do not staple or bind the application in any other manner.

No one other than the grantee may issue vouchers

- B. Clinic Grant:**
1) Clinics must provide their fee schedule for dog spay/neuter surgeries. Please provide complete information on your prices to the public by weight and gender, including additional fees (if applicable) for complications such as in heat, pregnancy and cryptorchid

2) In addition, you must attach an itemized list of the items you are requesting, with the cost per item, the quantity, and the total cost for each item. Total up the items and place the total at end of list. This is the amount of your clinic grant for equipment and supplies

NOTE Please see Sample Clinic Grant Budget, below

All items paid for by the DJ&T Foundation must be ordered by the grantee. Provide a list of all vendor contact information (phone numbers, e-mail addresses, and the vendor representative) for all items. If you are requesting something other than equipment in your grant, please explain in detail

SNAP Grant:

List any additional fees which may be charged to the client, such as: office visit, examination, lab work, pain medications, antibiotics, vaccinations, in heat,

pregnant, or cryptorchid, etc. We need this information for every veterinarian you plan to use in the program

A SNAP grant may be used with participating veterinarians as well as in the organization's own spay/neuter clinic. SNAP grants may be applied for more than once a year. SNAP grants must be used within one year of the date of the contract. Unused grants will revert back to the DJ&T Foundation.
