Form 990 (2016)

Form 990, Part III, Line 4a:

Supportive Housing ProgramsThe Organization's Supportive Housing Programs target the most vulnerable people who need housing and service supports to remain in stable housing and live healthy lives. The target population includes individuals experiencing chronic homelessness as well as people who are inappropriately placed in institutional care settings, such as nursing homes and state hospitals, due to a lack of affordable housing options and/or inadequate community-based care. Integrated models of supportive housing and health services, which have been proven effective in improving housing and health outcomes for this population, share a common set of guiding principles and dimensions of quality. Supportive housing is affordable rental housing with no artificial time limits on residency. Rent is adequately subsidized such that extremely low-income tenants pay no more than thirty-percent of their gross monthly income for rent. Supportive housing provides individuals access to immediate, permanent, quality affordable housing in their own apartments or homes without any preconditions or requirements for sobriety or treatment compliance to maintain housing. Residents of supportive housing hold their own leases and have the same rights and responsibilities as any other resident. Programs assertively engage residents and offer services to maximize housing stability, including regular communication with property managers, advocacy on behalf of residents and mediation of conflicts with landlords. Individuals in supportive housing have access to a comprehensive array of flexible services including housing stability support, income and benefits support, coordinated health and behavioral health services, twenty-four hour crisis intervention, employment services, diet/nutrition counselors, and recovery/wellness peer support specialists. Services are provided as needed to ensure successful residency and to support recovery and engagement in community life. Programs facilitate full integration into the community by providing direct assistance to tenants around employment, volunteer work, social activities and tenant-led community building activities. As the lead agency addressing homelessness in Sacramento County, the Organization is responsible for distributing and managing federal funds granted by the United States Department of Housing and Urban Development (HUD) for the Continuum of Care Program. Sacramento Steps Forward leads the effort, along with local nonprofit homeless service providers, to determine the needs of Sacramento's homeless population and to apply collectively for these funds in order to provide housing and services to individuals and families experiencing homelessness in Sacramento County. During 2016, the Organization passed-through \$9,935,805 in HUD grants to local nonprofit agencies which helped 2,232 individuals move out of emergency shelters and off the street into stable housing. Historically, only 11% of individuals housed by the Continuum of Care have returned to homelessness.

Form 990, Part III, Line 4b:

Other Programs The Capital Region Employment Connect is a unique hiring event aimed at linking job ready participants from local homeless programs to Sacramento's top industries. The goal of this event is to help end homelessness in the region by solidifying long-term connections between employers and the programs that prepare homeless households to overcome challenges and barriers in entering the workforce. The Homeless Management Information System (HMIS) is an electronic database used to house characteristic and service needs information of individuals experiencing homelessness. The program was developed in response to a mandate by Congress requiring states to collect data in order to receive funds from HUD to address homelessness. HMIS allows agencies within the Continuum of Care to better provide services to the homeless population by collecting basic demographic and other information in a secure site. During 2016, the Organization made contact with 7,619 unduplicated individuals. The development and implementation of a Housing Crisis Resolution System (HCRS) by each Continuum of Care is a Federal mandate of HUD. The Organization, in partnership with its public and private partners, has implemented the essential building blocks of the HCRS. The HCRS partners with the County of Sacramento, three of the incorporated cities within its boundaries, five Property Based Business Improvement Districts, Sacramento Regional Transit and the Central Library to fund nineteen homeless outreach workers referred to as Navigators. Each Navigator is equipped with hand held devices programmed with a vulnerability assessment tool called the Vulnerability Index. This assessment tool assists the Organization with prioritizing housing options for the most vulnerable individuals with the highest barriers to housing. During 2016, HCRS helped 700 individuals to achieve housing stability. Common Cents is a coordinated assessment and housing placement system focusing on the chronically homeless and veterans. Individuals are placed in permanent supportive housing with appropriate services utilizing an integrated outreach team. Project areas include the central city, oak park and public transportation routes. Hotel rooms are utilized to serve clients in the Winter Motel Voucher Program which serves those individuals or families unable to access the Winter Sanctuary Program. Case management is provided by Next Move which develops individual service plans.

Form 990, Part III, Line 4c:

Neighborhood ConnectA neighborhood-centered outreach effort tailored to the needs of a group of individuals experiencing homelessness in a specific area. The Organization works with neighbors, community groups, businesses, emergency services providers, law enforcement and other stakeholders to identify hot-spots and develop a plan for matching people with services appropriate to their needs.
