The CAP assesses language skills, word acquisition, listening and comprehension, gross motor skills, and social behavior, and is predictive of standardized test results. The Arks assessment and education and program goes beyond standard preschool to provide Ark Children with sepcialized services during their enrollment. Students are monitored throughout enrollment to guide staff in assisting students in reaching age-appropriate development. Trained, degreed staff and vetted volunteers provide one-on-one attention to help encourage verbal developmnet and encourage appropriate behaviors that are crucial to more cognitive skills. Children who are enrolled in The Ark long enough for two assessments (approx two months) demonstrate at least 22 percent increase in understanding the language of usage that can help build a childs reading ability.
