WHAT MAKES THE EVENT SPECIAL?

The commitment to create an opportunity for education; environmental and conservation experiences; space, nature and wildlife enjoyment and birding appreciation has brought many organizations together to present a safe, memorable and fun event. The Brevard Nature Alliance, Titusville Area and Cocoa Beach Area Chambers of Commerce, Merritt Island National Wildlife Refuge, Canaveral National Seashore, Indian River Audubon Society, City of Titusville, Space Coast Office of Tourism, NASA Contractors and VISIT FLORIDA as well as many loyal continuing sponsors and volunteers have contributed toward a concerted effort to provide a unique atmosphere for the participants at each Annual Space Coast Birding & Wildlife Festival.

The Festival is important because it generates awareness of the abundant natural resources of our area, not just during the Event, but also throughout the entire year. The connection of these natural resources to quality of life, excellence in environmental education, high technology, cultural heritage significance and business community involvement provides a focus that has placed the Festival as **number one** in the top three ranking of Birding and Wildlife Events (size, venue, scope of events and presenter/field trip leader industry status) in the United States. The Southeast Tourism Society, which promotes economic development through travel and sustainable tourism in 12 states of the Southeast U.S., included the 15th Annual Space Coast Birding & Wildlife Festival as one of the Top 20 Events for Winter 2012.

The Festival is recognized internationally as a travel destination for premier birding opportunities and outdoor adventures.
