Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission

The mission of the Blackfoot Challenge is to coordinate efforts that will conserve and enhance the natural resources and rural way of life in the Blackfoot River Valley for present and future generations. We support environmentally responsible resource stewardship through cooperation of private and public interests. The Blackfoot Challenge coordinates community-based programs to protect working land, conserve water and promote water use efficiency, educate all ages, increase fire safety and restore our forests, promote the values of community-based conservation, improve cross-boundary vegetation stewardship, and reduce conflicts between predators and people. Our success is structured by a strict process that leads with community values, invites participation from all watershed stakeholders, coordinates the conversations and partnerships, and supports these partnerships with good science. The Blackfoot has received national recognition for this success in coordinating private/public part
