11a	Double Line, Inc. is a strategic consulting company focused on serving the
	public sector, with a special emphasis on working in K-12 education. The
	Company provides consulting services to assist government agencies, schools,
	and non-profits to develop data-driven tools that help each organization to
	carry out its mission and better measure performance. The Foundation owns 100%
	of Double Line.
11b_	The Foundation uses highly structured equity and loan investments to help
	select entrepreneurial organizations in education, vocational training, and
	financial inclusion to: refine and showcase viable new business models;
	establish responsible, client-centric business practices; attract additional
	investors; and gain traction in their respective sectors. The Foundation's goal
	is not just to help socially driven entrepreneurs launch new products, but to
	open new markets that routinely provide families living in urban poverty with
	access to the best-in-class financial, educational, and other tools that can
	help them transform their lifetime prospects.

#### Direct Charitable Activity

**Expenses** 

Texas Student Data System & Ed-Fi

\$11,117,770

This direct charitable activity supports the delivery of a modern, flexible, powerful and actionable student-centric education data system for K-12 schools that educators can use. It also supports the development of the Ed-Fi solution - the only free, flexible and complete edtech solution to empower educators with relevant, timely, student-centric information that enables better data collection to drive higher student outcomes.

Educational Initiatives in the United States, India & South Africa

7,026,159

This direct charitable activity supports the implementation of a global scholarship tool as well as improvements to the US scholarship program application process. It also supports the creation and implementation of an education data system in South Africa which will advance student outcomes through district management tools and best practice sharing. Additionally, it supports the Municipal Corporation of Greater Mumbai's (MCGM) School Excellence Program (SEP) in India which is a multi-dimensional and systemic school turnaround initiative focused on improving student outcomes in the Government run primary schools in the city of Mumbai.

Health Related Initiatives

1,118,271

This direct charitable activity promotes and encourages parents to instill healthy eating habits in their children. This is done through promotional books and discussion guides which assist in disseminating information on healthy lifestyles.

Family Economic Stability Initiatives

503,149

This direct charitable activity supports development of a market based model for launching vocational education centers in urban Eastern India. It also helps support programs which enable low income clients to access mortgage finance and own homes in safe, clean environments.
