**PROGRAM FOR EDUCATION**

---

**OBJECTIVE OF THE PROGRAM**

The MDU Resources Foundation and its member companies believe a strong educational system is vital to the communities where we live and conduct business. Through the MDU Resources Foundation and corporate contributions we financially support education at all levels, and we will now augment the personal contributions efforts of our employees and directors with a limited, matching contribution program.

**THE PROGRAM**

The MDU Resources Foundation will match employee, as well as corporate directors, personal contributions to educational institutions (elementary, secondary, higher education) with a contribution equal to their contributions between \$50 and \$750. Periodic payments should not be submitted for matching funds until they meet or exceed \$50 in the aggregate

**PROGRAM RESTRICTIONS**

- ◆ An employee requesting a matching contribution must be employed on a regular basis, as defined by the respective employing company, at the time the employee contribution is made
- ◆ Foundation contributions will be made payable to the same educational institution receiving the employee/director contribution.
- ◆ No contribution will be matched unless the recipient organization is recognized by the Internal Revenue Service as a qualified 501(c)(3) organization or its equivalent. The recipient must be accredited by the appropriate accreditation agency. Home schools, daycare centers, preschools and early childhood learning programs are not eligible.
- ◆ Payments for tuition, books, fees, tickets, etc., are not eligible.
- ◆ The value of gifts, prizes, goods received or memberships will be deducted from the amount of the employee/director contribution.
- ◆ The maximum aggregated Foundation matching contribution will be limited to \$25,000 per year.
- ◆ The Foundation will be limited to matching funds of no more than \$750 per educational institution per year, per employee/director.
- ◆ It is the responsibility of the employee/director and the educational institution receiving the contribution to supply all required documentation to the MDU Resources Foundation.
- ◆ It is contemplated this will be an ongoing program; however, the MDU Resources Foundation reserves the right to suspend, amend, revoke or terminate this program at any time.

**PROCEDURE**

An employee/director who wishes to have his/her personal contribution matched by the Foundation must complete the certification form (reverse side) and send it with his/her contribution to the educational institution. Upon receipt, an authorized official must complete the lower portion of the form and return it to the MDU Resources Foundation. If the contribution has been made in accordance with the intent and provisions of the program, the Foundation's matching contribution will be mailed to the recipient educational institution and the employee/director will be notified
